

*2008 Western Agencies Sage and Columbian Sharp-tailed Grouse Workshop*  
*Mammoth Lakes, California*  
*June 23-26, 2008*

**Call for papers**

We welcome oral presentations related to the biology, behavior, management, and conservation of sage-grouse and Columbian sharp-tailed grouse. Although no formal poster session is being planned, arrangements for posters may be provided if requested. All presentations must be provided in PowerPoint format on CD at the beginning of the workshop.

**Deadline for receipt of abstract: May 14, 2008 (preferably earlier)**
